DRINKS

Our wines are carefully selected to complement our fish and seafood by our sommelier Tim McLaughlin-Green. Shortlisted for the Harpers and Queen Sommelier of the Year awards, he travels the world to source the finest small-batch wines produced by family-owned wineries.

Enjoy!

Our vintages may vary and are subject to change. We serve 125ml glasses of wine - just ask our team. A discretionary service charge of 12.5% will be added to your bill. VAT included at the standard rate. Please ask a member of the team for the ABV information and enjoy responsibly. Calorie information is calculated using typical values and measures. All calories detailed are per portion unless otherwise stated. A typical adult requires on average 2000 calories per day.
